Awards and Recognition
Douglas Companies Christmas Party 2015

Employee of the year: Jennifer Uncel

CEO Steve Douglas (right), and COO Susie Munson (left) presenting a very deserving Jennifer Uncel (center) with the 2015 Douglas Companies Employee of the year award. Congratulations to Jennifer, and thank you for all of your hard work to give Douglas Companies the best in class customer experience.
Administrative Employee of the Year: Amy Hudson, and Jenny McDowell

This year’s Employee of the Year, and Chief Accounting Officer Jennifer Uncel (left in each photo) was happy to present the awards for Administrative Employee of the Year to Amy Hudson (left photo) and Jenny McDowell (right photo).

Normally there is only one recipient of this award, however like last year we had two exceptional stand outs in this category. Each one of these ladies have been very important to the business, and have contributed in too many ways to count. While they work in different areas, they are both hard workers and they have a great attitude while doing it. We are happy to have two people this year that deserve honor.
While the people that work in the front office may be the people that you see and work with more often, the people that work in the Warehouse work just as hard to make sure that the products are prepared, picked, and loaded correctly to ensure that every Douglas customer has their order when they need it, and to make it as accurate as possible. Sharon Collins from the first shift (who was unable to attend and get her picture taken), and Jason Sharp (presented the award by Second Shift Warehouse Manager Travis Calhoun, left) from the second shift are the stand out employees in this area that were recognized this year.
Driver of the Year: Josh Berry

Our Drivers work hard every week, through the rain, and the cold of the winter, and the heat of the summer, to deliver the goods from Douglas Companies to our customers. Josh Berry was chosen as the Driver of the Year for his terrific work throughout this past year. Transportation Route Supervisor Shawn Bennett (left) was happy to present him this award.
Sales Representative of the Year: Sherry Shuler

A sales representative is the face of the company for a lot of our customers. They work with each customer to make sure their voice is heard, and that they’re both happy and profitable. Sherry has been essential to the growth and development of these customers, and we are proud to recognize her hard work here, just as Chief Marketing Officer Jeff Thompson (right) was proud to present her with the award.
Awards of recognition for Years of Dedicated Service

At Douglas, we are proud to be a family owned company, and think of our employees as part of that family. Having employees with tenure helps us by having people that know this business inside and out, and it also helps our customers by having familiar faces and consistent support through their many years of business with us. We are happy to announce quite a few of these anniversaries with Douglas Companies for the following employees.

Josh Berry: 5 Years  Paul Erby: 5 Years  Sarah Ochoa: 5 Years

The new addition to the 35 Year club!

It’s not easy to reach 35 years of service with one company these days, but Mike Brumitt has given over a third of a century to the coworkers, the management, and most of all, to the customers of Douglas Companies. No question he deserves a page of his own. We appreciate and honor his untiring commitment here.

Mike Brumitt: 35 Years
